

The Jon Carnegie School  
Real Life Learning

2016  
Term Two  
QLD Camp Booklet

# Outline

Students embark on a 'Survivor' type adventure, based on Stradbroke Island. Students are 'marooned' on a desert island for three days with no phone reception. They do not have the comforts of their home, social and school environment to hide behind. This gives students a challenging and real life learning environment in which to explore who they are and how they fit into the group.

Activities include, bush walking, swimming, initiative activities, team building exercises, personal development workshops, survivor tasks and sleep-outs. All activities are fully staffed by both qualified JCS staff and qualified staff hired to run individual activities. This range of educational activities will give students the opportunity to learn a greater self-confidence, motivation, initiative self-awareness and appreciation for their lives and the people that support them.

The Queensland Trip is a four day three night camp based in Surfer's Paradise and run to South Stradbroke Island.

**Dates:** Tuesday 10th May - Friday 13th May (TBC)
